

### **Liability**

The content of this website has been created with the utmost care. COMIT, however, shall not be held liable for the information being accurate, complete or up-to-date. The users of the content makes use of the content at their own risk.

This website contains links to websites of third parties (external links). These websites are the responsibility of those operators. COMIT verified the content of these sites when linking to them for the first time to check the occurrence of any contravening laws. At that time, there were no visible contraventions of any laws. COMIT has no influence over the current and future layout and content of the websites linked to. Placing external links does not mean that COMIT supports the content referred to or linked to. COMIT cannot be expected to constantly check these external links unless strong suspicions of contraventions to the law are aroused. If any contraventions of the law are noticed, these external links will be removed immediately.

### **© Copyright**

All rights reserved. All content such as text, still and moving images, graphics, sound, animations, videos etc. and their order and the associated code on COMIT websites are subject to the copyright protection and other protection laws. The content of this website must not be copied, distributed or modified or made accessible to third parties for other commercial or private purposes.

### **Data protection**

When the website of the supplier is visited, access information (date, time, pages visited) may be stored. This information is not personal information and remains anonymous. It will be used for statistical purposes only. The information will not be transferred to third parties for commercial or non-commercial purposes.

COMIT indicates expressly that data transfer on the Internet (e.g. when communicating via e-mail) may be subject to security breaches and cannot be protected from access by third parties.
